HOST FAMILY

The Bland Family is hosting a charity Golf Tournament in honor of their son, Jack Bland (James Richard Bland V).

Jack was born on Thanksgiving night in 2020. After numerous testing over the first 6 months of his life, Jack was diagnosed with profound hearing loss due to auditory neuropathy spectrum disorder. By the grace of god, Jack was introduced to the Auditory-Verbal Center (AVC). The folks at AVC were able to help Jack and his parents navigate the unknown.

BENEFITTING CHARITY

AVC has spent 47 years providing quality Auditory-Verbal Therapy and hearing healthcare services to families who are deaf or hard of hearing. All of their Auditory-Verbal Therapists are Speech-Language Pathologists who **specialize exclusively in teaching children with hearing loss to listen and speak without the need for sign language or lip reading.** They are trained to develop the listening pathways in a child's brain, laying the foundation for a lifetime of listening and speaking. They also provide intervention directly in Spanish with a bilingual therapist!

Can't Attend? You can still **donate online** here!
